Description:

Angela has fair skin, shoulder length curly brown / auburn hair, light brown eyes and a small scar above her right eyebrow. She dresses in expensive tailored business suits in strong colours (i.e. rich dark blue, wine red or burgundy, deep forest green, black) with paler silk shirts and jewellery, black silk stockings and high heels. On special occasions Angela dresses in original 1920s designer gowns and jewellery.

Biography:

Angela is a British computer security expert working for the UK Secret Intelligence Service (MI6), and is responsible for MI6's "Cthulhu Computer". Her job is to identify and track cultists worldwide so MI6 can keep tabs on them and assess their threat potential to the UK. She works closely with her counterparts in the UK Security Service (MI5) in neutralising cult related threats on UK soil.

Angela is linked to Jefferson Dean through her Delta Green connections and provides advice to Dean on the occult applications of high technology. She also has first hand knowledge of Kenneth Allard and Savage Island, as she lived there for a year during 1925 / 1926 courtesy of a time travel gate.

Angela is a veteran gate traveller and Dreamer, but after five terrifying time / reality jumps she asked a Swan May to grant her a Wish. Angela can no longer time travel, do body transfers, visit the Dreamlands or travel through gates.
